8 REASONS WHY YOU SHOULD PARTNER WITH SITEGUARD

FRIENDS WITH (FINANCIAL) BENEFITS

As a SiteGuard partner, you can amass a tidy little profit simply by referring a friend/client. Use your referral link and we'll take care of the rest. Super easy & efficient.

BUDGETS OF ALL SHAPES & SIZES

We understand that your customers march to the beat of their own drum, hence why we offer solutions for varying budgets. By referring our competitively priced service, you will be in their good books.

STAY IN THE GOOGLE GANG

Our Google listing protection service is great for your referrals and a nice little value-add to your business authority. By telling them about your friends in high places (SiteGuard HQ), you'll be added to their Christmas card list.

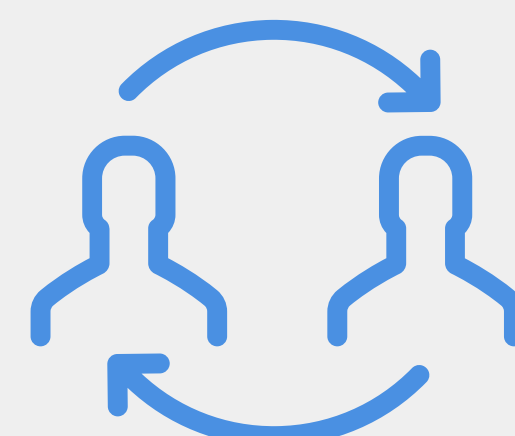

LOYALTY IS EVERYTHING

We are honest folk and take reliability darn seriously. Partnering with us will guarantee you a trusting and dependable relationship. We have your back and go above and beyond for your clients!

WE DON'T LIKE TO BRAG BUT...

We only like delivering the absolute best solutions for our clients. Therefore, you can rest assured that our anti-malware protection is the best on the market. No ifs, buts or maybes about it. Your customer base will be mighty happy that you made that referral.

WE GET YOU

We respect that our performance will reflect on your business. We get to know you and in turn your clients, ensuring that when you do refer them, we are ready to offer top-notch service.

ALWAYS ON CALL

Hello – Is it SiteGuard you're looking for? Just like Lionel Ritchie, we are here for you. We offer 24/7 support. Don't be shy, say hi!

QUICKIE BUT A GOODIE

We like it quick at SiteGuard, but that doesn't mean that we scrimp on the results. We aim to work fast to resolve any issues, and we do so with finesse. Your clients will appreciate this TLC.

REAL-TIME PARTNER
REPORTING. IT'S SEXY!

We're not trying to suggest that reporting is sexy. But we also don't believe it should be a snooze fest. We have built a pretty nifty partner portal for all of your reporting needs. It is clean, crisp and contains the information that you care about, all at a glance. We pull no punches; all data is transparent and easily digestible, enabling you to assess your performance seamlessly.
